Letter No AS C. 580/46-47 Dy 15/10/46 from the Addl Commr, Bdgs. requesting that the conveyance allowance now Paid to the executive staff of the C&S M&Sp may be enhanced from Rs 5 to Rs 7-80 each PM on the ground that the rates of Spare parts etc, have gone up & that the maintenance of cycles has become costlier.

At present the executive staff of the Bangalore C&S M&Sp are being Paid a cycle allowance of Rs 5 each PM Sanction is requested to enhance the allowance from Rs 5 to Rs 7-80 PM & the extra cost involved in the proposal is stated to be Rs 4,176 Per annum as shown in the statement ~~flagged~~ "H" It is also stated that an allowance of Rs 15 PM is being Paid in the Public works Deptt

If agreed, the Secy, P W D will also be consulted

HB 24/10

There is some force in the representation made. Cycles cannot nowadays be maintained on Rs 5/PM especially in the case of the executive officers of the M&Sp Department. The proposal is to enhance the allowance to Rs 7/8/PM But even this would not cover the total

an extra expense of Rs 41761/-

for a sum which the Bureau pleads is not in a position at present to bear at any rate owing to the increase of the dearness allowance by 50% the total expense for 1946 may for the present in this behalf be given up for as a lakh to Rs 4,20,000/- unless until the finances of the city improve & the expense on account of yearly dearness allowance is reduced, the question of enhancing the Conveyance allowance for which there is real justification - cannot be thought of. The proposal may therefore be revised for the present in financial grounds.
